

EXCELLENCE IN ARTS. EDUCATION FOR ALL.

September 19th 2023,

Arts in Action is thrilled to announce a significant achievement: we have been awarded a generous \$5,000 tax credit from the West Virginia Neighborhood Investment Program for the current fiscal year. This is an exceptional opportunity that not only benefits our dedicated donors but also directly enriches the lives of the children we serve on the west side of Charleston!

In the previous season, we had the honor of providing weekly dance, music, and comedy theater experiences to 76 boys and girls. This year marks an exciting chapter in our journey as Arts in Action welcomes a new executive director, Bridget Rowsey, and establishes a partnership with Bridget's Dance Academy in Huntington, WV. With these developments, we have expanded our reach even further, solidifying our commitment to providing free instruction, classroom supplies, and costuming to these children.

Whether you are an existing supporter or considering joining us in our mission, we want to ensure you are promptly informed about this valuable tax incentive. Your support plays a vital role in shaping the future of Arts in Action and the lives of the children we impact.

When you make a generous contribution of \$500 or more to Arts in Action, you become eligible for a WV Tax Credit equal to half of your gift. This means that donors have the unique opportunity to effectively double the impact of their donations, all without incurring any additional costs. These tax credits directly reduce your WV personal taxes, WV Business Franchise taxes, or Corporate Net State Income taxes. It's important to note that these credits are available to both individuals and businesses in West Virginia.

However, it's essential to keep in mind that our allocation of tax credits is limited, and they will be distributed on a first-come, first-serve basis to qualifying donors. Your timely support can make a significant difference, both for Arts in Action and for the children we serve in our community.

We greatly appreciate your support. If you have any questions or would like more information about this fantastic opportunity to join Arts in Action in our mission to serve under-served and at-risk children, please don't hesitate to give us a call. We're here to assist you and provide any additional information you may need.

Sincerely,
The Arts in Action Team
